PRODUCT CATALOG

welcome.

Thank you for choosing Pacific Cornetta, Inc. In the 2010 Liquid Solution Product Catalog you will find our complete product line as well as color, pricing and printing options. The catalog contains information about the best selling Tea-zer, our newest innovation, the Sof-t, and every product in between.

We have been producing the Liquid Solution line of beverageware since 1998, and providing outdoor enthusiasts, travelers, commuters and more with the items they need to stay hydrated, caffeinated and on their way.

We have perfected the way we design, engineer, manufacture and sell our products to best meet your needs. Our products use only the highest quality materials and are stringently tested to ensure superior customer satisfaction. Whether you have a local shop, a retail chain or a distribution center, we can help you get products into the hands of those who need them most – your customers.

All Liquid Solution products are BPA-free.
