LIQUID SOLUTION ANNOUNCES NEW COLORS FOR THE BULLET18 AWARD-WINNING VACUUM BOTTLE

A new twist on a favorite gift item in time for Holiday!

Tualatin, Oregon (June, 2007) -- Liquid Solution®, the insulated beverageware brand from Pacific Cornetta, will debut the new color coating process for its Bullet18 at OR Summer Market. The addition builds on the award winning vacuum bottle line.

The coated Bullet18 has the same great heat retention as the original, but with an attention-getting "anodized" look added to the exterior. The new Bullets are available in Pomegranate Red and Sage Green, brightening any 4th quarter display. The Bullet18 is an 18 oz. Marine-Grade stainless steel vacuum bottle in a sleek, compact design with touch n' pour stopper technology for excellent heat retention; just click once to pour and once to close for one-handed convenience. Holiday store sets, displays or web catalog features...get ready for red and green gift glitz! MSRP is \$27.99.

About Pacific Cornetta

Founded in 1989, Pacific Cornetta, Inc. creates equipment for travel and outdoor living including insulated mugs, vacuum bottles, water bottles, and accessories. The company's integrated marketing and manufacturing departments explore the world for the inspiration and ideas that produce their signature Liquid Solution beverage collection. Liquid Solution products use the most advanced materials and reflect the latest design influences, making them fashionable as well as functional. In particular, the Bullet, Titan and Classic34 bottles have been recognized for five consecutive years by the American Culinary Institute for design, thermal retention and user friendliness. Pacific Cornetta products are available at quality retailers across the United States and Canada. For more information, visit www.pacific-cornetta.com.
